

We are your sourcing partner for ecologically and socially sustainable oils, waxes, and hydrolates for natural cosmetics and organic food in Europe and the USA.

By meeting strictest hygiene, product, and process standards, we are the right partner for premium quality.

Our aim is to strengthen our partners' livelihoods all over the world. To reach this goal, our supply chains are always traceable, transparent, and based on trust, honesty, and fair conditions.

We stand out for fairly traded and organically grown resources in premium quality.
